

アプリケーションター Applicator

RA04 / RA12 / AA13

RA04 Type (Side feed)

RA12 Type (Side feed)

AA13 Type (End feed)

OUTLINE

従来型アプリケーションターの特徴を集大成したRA型は特に部品の徹底した標準化による納期の短縮化,低コストを実現し貴社のあらゆるニーズに対応します。

Our applicator, RA type, is developed on the base of our intimate experience on manufacturing. The effort of systematic standardization of parts presents the greatest cost performance, and the shortest period of delivery time. It will successfully meet any of your need.
